

Bergamot FCF Organic

bergamot-fcf-organic

IFRA CERTIFICATE OF CONFORMITY

Material	Bergamot FCF Organic
Veriscents SKU	bergamot-fcf-organic
Scope basis	Bergamot essential oil, Calabria, Italy
Certificate version	1.0
Veriscents issue date	18 September 2026
Basis	IFRA Code of Practice, up to and including the 51st Amendment (published June 2023)

Certificate scope

This certificate assesses conformity with the IFRA Standards and states the supplied restrictions for use. It does not replace a comprehensive safety assessment of the finished fragrance or consumer product.

Maximum concentration in finished product

IFRA Category	Maximum level	IFRA Category	Maximum level
Category 1	Not approved	Category 7A	46.51%
Category 2	7.44%	Category 7B	46.51%
Category 3	23.25%	Category 8	11.86%
Category 4	Not limited	Category 9	Not limited
Category 5A	34.88%	Category 10A	Not limited
Category 5B	34.88%	Category 10B	Not limited
Category 5C	34.88%	Category 11A	11.86%
Category 5D	11.86%	Category 11B	11.86%
Category 6	Not approved	Category 12	Not limited

'Not limited' means no maximum use level is imposed by the supplied IFRA conformity certificate for that category. 'Not approved' is retained exactly as stated for Categories 1 and 6.

Ingredients subject to IFRA limits

Material	CAS number(s)	Concentration in material
Citral	5392-40-5; 141-27-5; 106-26-3	0.4300%
Geraniol	106-24-1	0.1000%

Certificate note

This Veriscents certificate reproduces the IFRA category limits and restricted-ingredient concentrations supplied for the referenced Bergamot essential oil. Veriscents has reformatted the information into its customer-document format and does not represent independent IFRA testing.

Disclaimer

For applications outside the categories above or at concentrations exceeding the stated limits, a new safety and regulatory evaluation may be required. The finished-product manufacturer remains responsible for product safety and compliance.
