Certificate note

This Veriscents certificate reproduces the IFRA category limits and restricted-ingredient concentration supplied for Habanolide and reformats them as a customer-facing Veriscents document. Supplier-identifying information and supplier product identifiers have been omitted. Veriscents does not represent independent IFRA testing.

Disclaimer

For applications outside the categories above or at concentrations exceeding the stated limits, a new safety and regulatory evaluation may be required. The finished-product manufacturer remains responsible for final-product safety and compliance.
