8	Not limited
9	Not limited
10A	Not limited
10B	Not limited
11A	Not limited
11B	Not limited
12	Not limited

ADDITIONAL INGREDIENT INFORMATION

The supplied IFRA certificate reports that this material does not contain substances restricted by the IFRA Standards referenced in that certificate.

“Not limited” indicates no quantitative limit imposed by the cited IFRA Standards for that category; it is not a substitute for a finished-product safety assessment.
