

VERISCO(TM) CORIMOSS(TM)

Oakmoss Base 50% in MIP

1. IDENTIFICATION

Product identifier	VERISCO(TM) CORIMOSS(TM)
Generic description	Oakmoss Base 50% in MIP
Recommended use	Concentrated aromatic ingredient for fragrance compounds according to applicable legal and IFRA guidelines.
Recommended restrictions	For manufacturing use only.
Supplier	Veriscents
Emergency telephone	U.S. Poison Help: 1-800-222-1222 (medical exposure emergencies)

2. HAZARD IDENTIFICATION

Physical hazards	Not classified.
Health hazards	Not classified.
Environmental hazards	Not classified.
Signal word	None.
Hazard statement	The mixture does not meet the criteria for classification.
Prevention	Observe good industrial hygiene practices.
Response	Wash hands after handling.
Storage	Store away from incompatible materials.
Disposal	Dispose of waste and residues in accordance with applicable requirements.
Hazards not otherwise classified	None known.
Supplemental information	None.

3. COMPOSITION / INFORMATION ON INGREDIENTS

Mixture. The supplied SDS lists no ingredients as hazardous according to OSHA 29 CFR 1910.1200.

4. FIRST-AID MEASURES

Inhalation	If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing. Oxygen may be necessary. Call a physician if symptoms develop or persist.
Skin	Remove contaminated clothing. Wash skin thoroughly with soap and water for several minutes. Get medical attention if irritation develops and persists.
Eyes	Remove contact lenses if present and easy to do. Promptly wash eyes with plenty of water while lifting the eyelids. Get medical attention if irritation develops and persists.
Ingestion	Call a physician or poison control center immediately. If swallowed, rinse mouth with water if conscious. Do not induce vomiting. If vomiting occurs, keep the head low to reduce aspiration risk.
Most important symptoms/effects	Direct eye contact may cause temporary irritation.
Immediate treatment	Not available.

5. FIRE-FIGHTING MEASURES

Suitable media	Water spray, fog, carbon dioxide, dry chemical, or alcohol-resistant foam.
Unsuitable media	Do not use a solid water stream; it may scatter and spread fire.
Specific hazards	Fire may produce irritating, corrosive and/or toxic gases.
Firefighter protection	Use standard protective equipment and, in enclosed spaces, self-contained breathing apparatus. Avoid breathing fumes. Keep runoff out of sewers and water sources.
General fire hazards	Static charges generated by emptying packaging in or near flammable vapor may cause flash fire.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions	Keep unnecessary personnel away. Eliminate ignition sources. Avoid skin contact and inhalation of spill, dust or vapor. Use appropriate protective clothing and ventilate closed spaces.
Containment / cleanup	Stop flow if safe. Dike where possible. Absorb with inert material such as dry clay, sand, diatomaceous earth, commercial sorbent, vermiculite or earth. Prevent entry into drains and groundwater. Clean residual contamination thoroughly.

VERISCO(TM) CORIMOSS(TM)

Oakmoss Base 50% in MIP

Environmental precautions	Prevent further leakage if safe. Do not contaminate water. Avoid release to the environment. Retain and properly dispose of contaminated wash water.
----------------------------------	--

7. HANDLING AND STORAGE

Handling	Do not handle or store near open flame, heat or other ignition sources. Ground equipment. Avoid contact with eyes, skin and clothing. Avoid prolonged exposure and breathing vapor. Wash thoroughly after handling and take precautions against static discharge.
Storage	Keep container closed. Handle carefully and open slowly to control possible pressure release. Store in a cool, well-ventilated area.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Occupational exposure limits	No exposure limits noted for ingredients.
Biological limits	No biological exposure limits noted.
Engineering controls	Use explosion-proof ventilation equipment as appropriate.
Eye / face	Safety glasses with side shields or goggles.
Hands	Chemical-resistant gloves.
Respiratory	Not normally required. If ventilation is insufficient, provide suitable respiratory protection.
Hygiene	Wash after handling and before eating, drinking or smoking. Routinely clean work clothing and protective equipment.

9. PHYSICAL AND CHEMICAL PROPERTIES

Property	Value
Physical state / form	Liquid
Color	Refer to specification
Odor	Characteristic
pH	Not available
Flash point	>200 F (>93.3 C), closed cup
Vapor pressure	<0.1 mm Hg at 20 C
Relative density	0.95 at d 20/20
Water solubility	Insoluble
Flammability class	Combustible IIIB, estimated
Specific gravity	0.95 at 25 C
VOC (weight)	<2%

10. STABILITY AND REACTIVITY

Reactivity	Stable and non-reactive under normal conditions of use, storage and transport.
Chemical stability	Stable under normal conditions.
Hazardous reactions	No dangerous reaction known under normal use.
Conditions to avoid	Temperatures exceeding the flash point; contact with incompatible materials.
Incompatible materials	Strong oxidizing agents.
Hazardous decomposition	None expected when stored and handled as indicated.

11. TOXICOLOGICAL INFORMATION

Inhalation	No adverse effects expected.
Skin	No adverse effects expected; prolonged contact may cause temporary irritation.
Eyes	Direct contact may cause temporary irritation.
Ingestion	Expected to be a low ingestion hazard.
Respiratory sensitization	Not a respiratory sensitizer.
Skin sensitization	Not expected to cause skin sensitization.
Mutagenicity	No data indicating product or components above 0.1% are mutagenic or genotoxic.

VERISCO(TM) CORIMOSS(TM)

Oakmoss Base 50% in MIP

Reproductive toxicity	Not expected to cause reproductive or developmental effects.
STOT single / repeated exposure	Not classified.
Aspiration hazard	Not an aspiration hazard.
Further information	The mixture has not been subjected to full toxicological testing; classification is based on available constituent data.

12. ECOLOGICAL INFORMATION

Ecotoxicity	The mixture has not been subjected to ecotoxicological testing as an entity. Classification is based on available constituent data.
Persistence / degradability	No data available.
Bioaccumulative potential	No data available.
Mobility in soil	No data available.
Other adverse effects	No other adverse environmental effects are expected based on the supplied documentation.

13. DISPOSAL CONSIDERATIONS

Do not discharge into drains, water courses or onto the ground. Dispose of contents and containers in accordance with applicable local, regional, national and international requirements. Empty containers may retain product residue and should be handled accordingly.

14. TRANSPORT INFORMATION

DOT	Not regulated as dangerous goods.
DOT bulk / non-bulk	Not regulated as dangerous goods.
IATA	Not regulated as dangerous goods.
IMDG	Not regulated as dangerous goods.
ADR / RID / ADN	Not regulated as dangerous goods.

15. REGULATORY INFORMATION

CERCLA	Not listed.
SARA 304	Not regulated.
OSHA specifically regulated substances	Not listed.
TSCA Section 12(b) export notification	Not regulated.
SARA 302	Not listed.
SARA 311/312 hazardous chemical	No.
SARA 313	Not regulated.
CAA Section 112 HAP / 112(r)	Not regulated.
Safe Drinking Water Act	Not regulated.
California Proposition 65	No listed carcinogen or reproductive toxicant reported in the supplied SDS.

16. OTHER INFORMATION

Veriscents issue date	19 September 2026
Document version	1
Source SDS revision date	3 October 2015
Source SDS version	01
HMIS ratings	Health 1; Flammability 1; Physical Hazard 0

Prepared by Veriscents from the supplied safety documentation for the underlying oakmoss base in MIP and reformatted for VERISCO(TM) CORIMOSS(TM). Supplier-identifying information, supplier item numbers, websites, contacts, account numbers and supplier emergency-service details have been omitted. Technical values and classifications have not been independently re-tested by Veriscents.
