

BENZOIN SUMATRA RESINOID

Aromatic Ingredient

1. IDENTIFICATION

Product identifier	Benzoin Sumatra Resinoid
CAS number	9000-05-9
EC number	232-523-7
Recommended use	Fragrance / perfume compound.
Supplier	Veriscents
Emergency telephone	U.S. Poison Help: 1-800-222-1222 (medical exposure emergencies)

2. HAZARD IDENTIFICATION

Source GHS classification	The supplied SDS states: No classification data available for this product.
Hazard pictograms	N/A
Signal word	N/A
Hazard statements	The supplied SDS states: No hazard statements apply.
Other hazards	The supplied SDS states the material is not PBT/vPvB under REACH Annex XIII and does not meet the cited endocrine-disruptor criteria.

3. COMPOSITION / INFORMATION ON INGREDIENTS

Substance name	Benzoin Sumatra Resinoid
CAS / EC	9000-05-9 / 232-523-7
Composition	The supplied SDS states that no composition data are available for this product.

4. FIRST-AID MEASURES

General	Move out of dangerous area. Show the SDS to the attending doctor. Symptoms of poisoning may appear several hours later; do not leave the victim unattended.
Inhalation	Move to fresh air. If unconscious, place in recovery position and seek medical advice. If symptoms persist, call a physician.
Skin	Rinse well with water and remove contaminated clothing. If irritation persists, call a physician.
Eyes	Immediately flush with plenty of water. Remove contact lenses. Keep eye wide open while rinsing. If irritation persists, consult a specialist.
Ingestion	Keep respiratory tract clear. Do not induce vomiting. Do not give milk or alcoholic beverages. Never give anything by mouth to an unconscious person. Take victim immediately to hospital.
Symptoms / treatment	No data available in the supplied SDS.

5. FIREFIGHTING MEASURES

Suitable media	Dry chemical, alcohol-resistant foam, carbon dioxide (CO ₂), water spray.
Unsuitable media	High-volume water jet.
Special hazards	Do not allow firefighting runoff to enter drains or water courses.
Firefighter protection	Wear self-contained breathing apparatus if necessary. Collect contaminated extinguishing water separately; cool closed containers with water spray.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions	Use personal protective equipment and ensure adequate ventilation.
Environmental precautions	Prevent entry into drains. Prevent further leakage or spillage if safe to do so. Notify authorities if rivers, lakes or drains are contaminated.
Cleanup	Contain and collect with non-combustible absorbent such as sand, earth, diatomaceous earth or vermiculite. Place in a suitable closed container for disposal.

7. HANDLING AND STORAGE

Handling	Avoid aerosol formation. Do not breathe vapors/dust. Avoid contact with skin and eyes. Provide sufficient air exchange/exhaust. No smoking, eating or drinking in the application area.
-----------------	---

BENZOIN SUMATRA RESINOID

Aromatic Ingredient

Fire prevention	Keep away from open flames, hot surfaces and ignition sources. Do not spray on naked flame or incandescent material.
Storage	Keep tightly closed in a dry, well-ventilated place. Reseal opened containers carefully and keep upright. Observe label precautions.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Occupational limits	The supplied SDS states that the product contains no substances with occupational exposure limit values.
Hand protection	Select protective gloves suitable for the specific workplace.
Eye protection	Tightly fitting safety goggles; eyewash bottle with pure water. Face shield and protective suit for abnormal processing problems.
Skin/body	Impervious clothing selected according to amount and concentration at the workplace.
Hygiene	Do not eat, drink or smoke while using. Wash hands before breaks and at the end of the workday.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Brown to dark brown viscous fluid; darkening on aging.
Flash point	93.33 (unit not stated in the supplied SDS).
CAS number	9000-05-9
Other properties	Not provided in the supplied SDS.

10. STABILITY AND REACTIVITY

Reactivity	None stated.
Chemical stability	Chemically stable.
Hazardous reactions	No decomposition if stored and applied as directed. Vapors may form explosive mixture with air.
Conditions to avoid	Heat, flames and sparks.
Incompatible materials	No data available.
Hazardous decomposition products	No data available.

11. TOXICOLOGICAL INFORMATION

Acute toxicity estimate	5000 mg/kg (route/method not clearly specified in the supplied SDS).
Acute inhalation toxicity	Not determined.
Acute dermal toxicity estimate	>5000 mg/kg.
Skin irritation	May cause skin irritation and/or dermatitis.
Eye irritation	May cause irreversible eye damage.
Sensitization / mutagenicity / carcinogenicity / reproductive toxicity / STOT	No product-specific data available in the supplied SDS.
Aspiration hazard	The supplied SDS states that the substance or mixture is known, or has to be regarded, as causing a human aspiration toxicity hazard.
Other	Solvents may degrease the skin.

12. ECOLOGICAL INFORMATION

Aquatic toxicity	No test data available in the supplied SDS.
Persistence / bioaccumulation / mobility	No data available.
Additional ecological information	The supplied SDS states that an environmental hazard cannot be excluded with improper handling/disposal and states: Toxic to aquatic life with long lasting effects.

13. DISPOSAL CONSIDERATIONS

BENZOIN SUMATRA RESINOID

Aromatic Ingredient

Product	Do not allow to enter drains, water courses or soil. Send to a licensed waste management company.
Packaging	Empty remaining contents. Dispose of as unused product. Do not reuse empty containers. Do not burn or use a cutting torch on empty drums. Dispose according to local regulations.

14. TRANSPORT INFORMATION

ADR/RID/ADN	Not regulated.
IATA/ICAO	Not regulated.
IMDG	Not regulated; marine pollutant: not regulated.

15. REGULATORY INFORMATION

Regulatory information	The supplied SDS states no additional relevant information. It lists the material in multiple global chemical inventories, including U.S. TSCA.
-------------------------------	---

16. OTHER INFORMATION

Veriscents issue date	29 September 2026
Document version	1
Source document date	29 September 2026
Basis	Prepared from the supplied manufacturer safety data sheet.

This Veriscents SDS is a reformatted customer document based on the supplied source SDS. Source values, statements and internal inconsistencies have been preserved rather than independently reclassified or reconciled by Veriscents.
